Calling All Kings

Let those who know and trust their inner king
 who trust their own power
 and don't misuse it,
 who live beyond themselves
 who see the greater vision
 who seek blessing for all
 who create order out of chaos
 who foster peace in themselves and others –
 let them embody their king today,
 humbly yet boldly,
 fearlessly and with joyful strength,

for this world is short on those
 who know they have generative power
 to give life away
 and so many turn to false kings
 boys who think a crown costume is all they need
 who stomp and plunder and turn the land to ruin
 who sound the war siren
 without counting the cost
 and forget that caring for the weakest among us
 and uniting the land as one
 are the reason there are kings at all.
