O Emmanuel

O come, O come, and be our God-with-us,
 O long-sought with-ness for a world without,
 O secret seed, O hidden spring of light.
 Come to us Wisdom, come unspoken Name,
 Come Root, and Key, and King, and holy Flame,
 O quickened little wick so tightly curled,
 Be folded with us into time and place,
 Unfold for us the mystery of grace
 And make a womb of all this wounded world.
 O heart of heaven beating in the earth,
 O tiny hope within our hopelessness,
 Come to be born, to bear us to our birth,
 To touch a dying world with new-made hands
 And make those rags of time our swaddling bands.
