FIRST AND LAST

Indeed, some are last who will be first, and some are first who will be last. – Luke 13

The first shall be the last, the last the first.
You make rich havoc of our sense of place,
As every strain of status is reversed.
With one swift look of love, your sacred face
Outfaces us. Disgrace is met with grace,
And blessings fall on those we call accursed.
Strive as they might, the swift don't win the race,
But still the cup is full for those who thirst.

What is this, then, we say to one another,
Planning careers and doling status out,
Ranging ourselves and others on the ladder,
With fanfares for the climber with the clout?
Best drop our trumpets, still our banging drums
And listen for your welcome, when it comes.
