### With All Your Soul

(Part II of "Five Dialogues on the Two Great Commandments")

*And He answering said, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and thy neighbor as thyself. (Luke 10)*

With all my soul? I scarcely know my soul.

The age I live in doesn't think it's there,

They cut me up, where you would make me whole,

And think your promise only empty air.

They say I'm hormones, chemical extremes,

Enzymes unwinding blindly, selfish genes,

Just empty gestures and repeated memes.

With all my soul? I don't know what that means.

*Before the first life stirred my spirit called you,*

*I knew you when I wove you in the dark,*

*I made you more than all the forms that mould you,*

*And kindled in your depth my hidden spark.*

*So let them say your soul is empty air,*

*Love with your soul and you will know it's there.*
